## **MANAGEMENT LETTER**

To : Mittetulundusühing Korruptsioonivaba Eesti

We have reviewed the financial report of the Mittetulundusühing Korruptsioonivaba Eesti for the period ended 31 December 2022. We considered its internal control environment and determined whether internal controls are in operation, assessed control risk for the purpose of expressing our opinion on the financial report, but not for the purpose of expressing an opinion on the effectiveness of the organisation's internal control over financial reporting.

No matters came into our attention while performing our audit procedures, which are considered as control deficiencies under standards established by the International Auditing and Assurance Standards Board.

Yours sincerely

The Auditor

Enn Leppik
